

FBSL Uniform & Dress Code Policy

First Baptist School seeks to honor God by adhering to Biblical standards of modesty for its staff and students. Students wear a standard color and style of clothing as our uniform. Wearing the school uniform properly starts with a desire to honor God and serve others. Students are expected to be in uniform from the time they enter the facility until the time they leave it, including before and after school care. **If a student is “out of uniform,” a Uniform Violation Slip will be sent home to be signed and returned the next school day. If it is not returned and signed the following day and the problem has not been corrected, the student will receive an “Out of Order” reminder each day thereafter until the problem is corrected.**

All Students
